**ST. VALENTINE – FEB. 14<sup>TH</sup>**  
**HERO SAINT OF THE WEEK**

*St. Valentine was a Roman priest who assisted Christian families being persecuted by Emperor Claudius II in the 3<sup>rd</sup> century. When Valentine was discovered to be a Christian, he was beaten with clubs and beheaded. Sending Valentine greetings on this day is a carry-over from an ancient pagan practice of boys drawing names of girls on cards in honor of the goddess Februato Juno. To abolish this practice, the name of St. Valentine was substituted on the cards drawn on this day. (J.M.)*

In a developmentally age appropriate and print rich environment, our preschoolers move from learning center to learning center, exploring and discovering the world of Reading, Math, Science, and Social Studies. Incorporating Art, Music and Movement, and Computer technology helps to strengthen our preschoolers to become highly active and eager learners! Our 3 year olds initially focus on the social and readiness skills. As the year progresses, there is more in depth focus on the children's literacy program *The Letter People*. Our 4 year olds are immersed in the new innovative *Happily Ever After*, a readiness program with children's literature at the heart! This program teaches a rich curriculum of early literacy skills such as story structure and appreciation, print and book awareness, letter recognition and naming, auditory discrimination, phonological and phonemic awareness, listening and direction following, oral language development, and emergent writing through children's dictation. The *SPARKS* program, which focuses on physical activity and healthy nutrition, is also used.
